Re: Docket No. 03-0493

Dear Ms. Rolando:

Enclosed herewith for filing with the Commission are an original and four copies of MidAmerican Energy Company's Amended Special Report in the above-referenced docket which is being provided pursuant to Ordering Clause (7) of the Commission's Order dated October 22, 2003.

In a Special Report dated November 8, 2005, MidAmerican Energy Company reported the issuance and sale on November 1, 2005 of \$300,000,000 of its 5.75% Medium-Term Notes due November 1, 2035. Paragraph A of the Special Report incorrectly stated that the remaining financing authority granted by the Commission in Docket No. 03-0493 available for future issuances by MidAmerican Energy Company of its medium-term notes was \$196,390,000. That amount should have been \$246,390,000. The enclosed Amended Special Report corrects this error. In all other respects, the November 8, 2005 Special Report is correct.

Please note the exhibits included with the November 8, 2005 Special Report are not being refiled with the Amended Special Report.

Please file stamp and return the extra copy of this transmittal letter in the enclosed self-addressed stamped envelope.
